

We've just made buying possible

Credit Available

Credit crunch or not if you need a new cutting system you have to find a way to get one. We can now offer a zero percent interest scheme, independent of the banks, that will help you to get what you want. For the monthly sum of £1000 plus VAT and minimum deposit we will deliver, install and maintain our most popular model KM627A. Phone us today.

Only
£1000
per month
